Las Vegas, NV 89118

Dear Mr. Houghton,

Even though we've said thank you countless times over the phone when placing an order, or when requesting a bid, we felt it was high time to put a formal "thank you" in writing to express our appreciation.

Bill, please know we are grateful for your "can do" attitude and commitment to service. Anderson Dairy and Horizon Business Systems has enjoyed a long-term business relationship, and for good reason. For us it just makes sense; from business forms to any number of specialty items, if we have had a need, you've been there for us...delivering on budget, on time, and with a pleasant smile.

We can't thank you enough.

Sincerely,

Dave Coon
